Dear Andrea Michael Dunn,

We are incredibly proud of your career trajectory since graduating magna cum laude from the Lindenfield Institute in 2022. Your accomplishments as a Ronald E. McNair Scholar, recipient of the Castleton Strategies BPN Scholarship, and now as a financial analyst in New York, are a testament to the hard work and dedication our community represents.

As you know, Lindenfield has always been committed to providing access to quality higher education for students from Newark, Jersey City, and the surrounding areas. Over sixty percent of our current undergraduates are the first in their families to attend college, and many rely on donor funded financial aid packages to graduate debt free.

The Lindenfield Alumni Foundation is launching the 2026 annual fund to expand scholarship pools, build state of the art study spaces, and support mentoring networks like the SCORE program at McNair Academic.

We hope you will consider giving back to support the next generation of Lindenfield scholars. Your contribution, no matter the size, makes a meaningful difference in the lives of our students.
